

Neurokolloquium, EPN monthly lunch meetings: Seminars for doctoral students, postdocs and PIs 2022/23

An event European Psychoneuroimmunology Network (EPN, <https://pnieurope.eu/>) and the Center for Mind, Brain and Behavior (<https://www.cmbb-fcmh.de/de/cmbb-info>).

Joint seminar on topics in neuroscience for doctoral students, postdocs and other members participating universities including Justus-Liebig-University Giessen and Philipps-University Marburg, with accreditation of the **International Giessen Graduate Centre for the Life Sciences (GGL)** section "Neuroscience". The seminar is also open for veterinarians who are not employees or doctoral candidates of the Faculty of Veterinary Medicine of the JLU Giessen

Aim of the Neurokolloquium, JLU Gießen: Interdisciplinary exchange between doctoral students, postdocs, and other members of institutes that work in fields related to neurosciences including technical and methodological aspects, developing a network for everyone with an interest in neurosciences, to benefit from the experience of a variety of laboratories and external speakers, to foster research in neurosciences, for trainee career development.

Concept: Lab presentation including discussion (45 min.) is followed by a semi-structured networking part for doctoral students and postdocs with breakout sessions (45 min.)

Location: Meetings are held as Webex online-seminars; with ATF accreditation
